I, MICHAEL PLISZKA, declare and state as follows:

1. I respectfully submit this declaration in support of Plaintiff's Opposition to Defendants' Motion for Expedited Discovery and Plaintiff's Cross-Motion for Mutual Expedited Discovery.

2. I have personal knowledge of the matters set forth in this Declaration.

3. I am an experienced polygraph examiner and former law enforcement officer. I have 24 years of experience in law enforcement with the Erie County Sheriff's Office with several positions, culminating in my position as Chief of Police Services. In November of 1999 I became certified in Polygraph Science (Forensic Psychophysiology) by Axciton Polygraph Systems. I am registered to perform polygraphs in Erie County, am a full member of the American Polygraph Association and American Association of Police Polygraphists, and have received a certification of specialized training from the American Polygraph Association. I have frequently conducted polygraph examinations

for local police agencies and the Erie County District Attorney's Office. In my eleven years of experience I have conducted in excess of 750 polygraph examinations. I have an Associate's Degree in Criminal Justice, a Bachelors Degree in Criminal Justice and a Masters Degree in Social Work from SUNY at Buffalo School of Social Work (MSW), and I am licensed as a certified social worker in New York (CSW). In addition, I am an adjunct instructor in criminal justice at Hilbert College located in Hamburg, New York, regularly provide training programs and instruction at the Erie County Law Enforcement Training Academy, and am a member of the Law Enforcement Training Director's Association of New York State. A true and correct copy of my curriculum vitae is attached hereto as Exhibit A.

4. Based on my experience, I was asked to conduct a polygraph examination of Paul Ceglia, paying particular attention to the authenticity of the "Work For Hire" Contract between Paul Ceglia, StreetFax LLC and Mark Zuckerberg dated April 28, 2003 (the "Agreement"). A copy of the Agreement is attached hereto as Exhibit B.

5. I conducted the polygraph exam on June 11, 2011 at my office.

6. Prior to conducting the examination, I observed Mr. Ceglia to be alert and well oriented. In addition, a Calibration Verification of Sensitivity ("CVOS") was conducted to determine if the subject was a suitable candidate for this procedure. Based on these observations and the CVOS, I determined that Mr. Ceglia was a suitable candidate for a polygraph examination.

7. In conducting the examination, I utilized the Lafayette Instrument Polygraph System. Responses produced were monitored and digitally entered into computerized software produced by the Lafayette Instrument Company.

8. The questions asked during the polygraph examination were designed to determine whether Mr. Ceglia had fraudulently forged or doctored the Agreement.

9. After conducting three polygraph charts utilizing a Zone Comparison Technique, and review of the examination utilizing accepted criteria for analysis, it is my opinion that the examination results are classified as "No Deception Indicated."

10. No Deception Indicated is indicative of an individual telling the truth.

11. I declare under the penalty of perjury that the foregoing is true and correct.

Dated: June 16, 2011.

TO DECLARATION OF
MICHAEL PLISZKA

"WORK FOR HIRE" CONTRACT

SECTION 1- GENERAL PROVISIONS

1. Definitions

The following terms have the meaning specified when used herein:

PURCHASER - Paul Ceglia

CONTRACTOR/SELLER - Mark Zuckerberg, his agents, employees, suppliers, or sub-contractors, furnishing materials, equipment, or services.

CUSTOMER - StreetFax LLC the entity contracting for construction or other services from the Purchaser or which the goods and/or services provided hereunder are for incorporation into the work or are required to facilitate completion of Purchaser's contract with such entity.

PRIME CONTRACT - This contract between Purchaser and Seller.

2. Entire Agreement

The contract between the Purchaser and Seller as a Purchase agreement and "work made for hire" reflects two separate business ventures, the first being for the work to be performed directly for the StreetFax Database and the Programming language to be provided by Seller.

Second it is for the continued development of the software, program and for the purchase and design of a suitable website for the project Seller has already initiated that is designed to offer the students of Harvard university access to a website similar to a live functioning yearbook with the working title of "The Face Book"

It is agreed that Purchaser will own a half interest (50%) in the software, programming language and business interests derived from the expansion of that service to a larger audience.

3. Payment Terms

No insurance or premium charges or price increases will be allowed unless authorized by Purchaser in writing. No increase in price from that stated on the face hereof will be considered throughout the duration of the order.

The Agreed upon Cost that the Seller and the Buyer have agreed upon are as follows: Buyer agrees to pay the seller the Sum of \$1000 a piece for the work to be performed for Streetfax and \$1,000 for the work to be performed for "The Page Book".

Late fees are agreed to be a 5% deduction for the seller if the project is not completed by the due date and an additional 1% deduction for each day the project is delayed beyond that point.

The agreed upon project due date for the StreetFax software is May 31, 2003. *Project was agreed to finish by May 24, 2003*
The agreed upon completion for the expanded project with working title "The Face Book" shall be January 1 2004 and an additional 1% interest in the business will be due the buyer for each day the website is delayed from that date.

Additional funds may be provided for either project on an as needed basis at the sole discretion of the Buyer.

4. Changes

a) BY PURCHASER - Purchaser agrees that no further revision shall be implemented until or unless approved by the seller. Those revisions

shall be transmitted for written approval to seller.

b) BY SELLER - The Seller agrees that no further revision shall be implemented until or unless approved by Buyer. Those revisions shall be transmitted for written approval to the Street Fax Purchasing Department.

5. Purchaser's Property/Seller's Responsibility

For the StreetFax database Buyer agree to pay for and maintain the cost of upkeep for the servers needed for its operation.

For "The Face Book" Seller agrees to maintain and act as the sites webmaster and to pay for all domain and hosting expenses from the funds received under this contract, and Seller agrees that he will maintain control of these services at all times.

Data, drawings, tooling, patterns, materials, specifications, and any other items or information supplied to Seller under this order are the property of the Purchaser and must be returned upon completion of this order. Such items or information are to be used solely in the performance of the work by the seller and shall not be used or disclosed for any other purpose whatsoever without Purchaser's prior express written consent.

6. Settlement of Controversies

In the event that this purchase order is for materials or equipment which is excluded from this Prime Contract, and in the case of disputes between the Purchaser and the Customer or between the Purchaser and the Seller regarding materials or equipment to be furnished by the Seller, the Seller agrees to be bound to the same extent that the Purchaser is bound by the terms of the Prime Contract, and by any and all decisions and determinations made thereunder, provided that the Seller shall have the right to participate in the settlement of any dispute to the extent that the Seller will be affected thereby.

No interest shall accrue on any payment(s) otherwise due the Seller, which is withheld or delayed as a result of any such dispute, except to the extent that the Purchaser is ultimately paid interest on monies due the Seller. The Seller shall not be held liable if the Seller follows instructions of the Purchase and it is later determined that the Purchaser's instructions were not in compliance with the terms and specifications of the Prime Contract. Pending final disposition of a dispute hereunder, the Seller shall carry on the work unless otherwise agreed in writing by the purchaser.

In all instances the final authority should rest with the final Specifications.

7. Patent Indemnity

Purchaser hold seller harmless for an infringement sellers work may constitute on patents held by and third party that result from the direct request for the work made by purchaser in this "work made for hire" agreement.

The Seller hereby agrees to be responsible for all claims against the Purchaser of the Customer for alleged infringement of patents by reason of the Purchaser's or Customer's possession, use, or sale of any materials or equipment furnished hereunder by the Seller or by reason of the performance of any work hereunder by the Seller. The Seller agrees to defend at its sole expense all suits against the Purchaser and/or the Customer and to save and hold harmless the Purchaser and the Customer from and against all costs, expensed, judgements, and damages of any kind which the Purchaser or the Customer may be obliged to pay or incur by reason of any such alleged or actual infringement of a patent or patents. The Purchaser and the Customer agree to render whatever assistance it reasonably can in the way of information and access to records for the defense of any such suit. This indemnity shall not extend to alleged or actual infringements resulting from the Seller's compliance with the Purchaser's or Customer's design, instructions, processes, or formulas provided, however, that the Seller agrees to be responsible if it is reasonable to assume the Seller should have been aware of a possible alleged or actual infringement resulting from the Purchaser's or Customer's design, instructions, processes, or formulas and fails to notify the Purchasers of such possibility.

8. Assignment of Subcontracting

Neither this order nor any rights, obligations, or monies due hereunder are assignable or transferable (as security for advances or otherwise) without the Purchaser's prior written consent, and except as to purchases of raw materials or standard commercial articles or parts, the Seller shall not subcontract any major portion of the work encompassed by this order without the Purchaser's prior written approval. Any additional costs or expense incurred by the Purchaser over and above the original purchase price from the Seller plus freight costs shall be for the account of the Seller.
